WILLIAM EMERSON, Department of Agriculture,
Vice President & Manager.

SEED GROWERS AND DEALERS.

"ALL QUOTATIONS ARE MADE FOR IMMEDIATE ACCEPTANCE, SUBJECT TO STOCKS REMAINING UNSOLD, AND CONFIRMATION OF ORDERS, ALSO STENOGRAPHIC ERRORS AND OMISSIONS, DELAYS AND CONTINGENCIES BEYOND OUR CONTROL."

Fremont, Neb. October 10, 1910

TO THE WHOLESALE TRADE:

We have completed our crop inspection of vine seeds to such an extent that we can now offer subject to crops and their being harvested under favorable conditions the quantities of the different kinds of vine seed at the prices named on the enclosed list. The cucumber and muskmelon offered have been grown from selected seed stocks under irrigation especially for seed purposes and are not to be considered with the lower priced seed saved from the culls after the best melons have been shipped. The watermelon and squash have been grown from selected seed stock furnished by ourselves and are fully equal to the stocks we have supplied the trade in former years.

OFFER - Subject to immediate acceptance, and stocks remaining unsold.

BAGS - Extra at Fremont market values.

DELIVERY - F. O. B. Fremont, Nebraska.

TERMS - VINE SEEDS, by acceptance (with exchange) payable 60 days from date of invoice, or 1 per cent discount for cash 30 days from date of invoice.

The above stocks are offered under the non-warranty clause adopted by the American Seed Trade Association, viz: "While we exercise great care to have all seed pure and reliable, we do not give any warranty, express or implied, and will not be in any way responsible for the crops produced from same. If the purchaser does not accept these seeds on these conditions, they must be returned at once."

If interested, kindly WRITE OR WIRE us stating varieties and quantities required. We will be favored with your esteemed orders.

Yours truly,

WILLIAM EMERSON, Manager.
